The Black Eagle July 4th "Reverse Parade" was held as planned, but our club was not represented.

Discussed upcoming Choteau Ice Cream Parlor car show on August 12; this is the last show for the 2020 season. Current plan is for anyone who would like go we will be meeting at the Glacier Gas Station Store in Vaughn about 5pm, with the plan of leaving by 5:15 pm. We would like to give Rich Lusky a trophy for supporting Great Falls and our car clubs. Ideas for plaque verbiage are greatly appreciated. Currently the idea is to have "FOR THE LOVE OF CARS" on the plaque.

Discussed and approved via unanimous vote to waive this year's club dues.

Discussed setting up a Club Christmas Party, COVID permitting. The 2 venue options are Beef-N-Bone on a Saturday and Cattleman's on a Wednesday evening for the ALL YOU CAN EAT SHRIMP OPTION or a Saturday. We are looking at the 5th or 12th of December. I have reached out to each restaurant but have not received any replies as of yet, but would love to have club member's opinion/vote by 31 July 2020.

We will still have the Chinese gift exchange with a maximum dollar amount of \$20.

Discussed organizing some fun COVID-friendly events. Some ideas were an outdoor movie and a progressive dinner. Any and all ideas are greatly appreciated.

Lastly, Dan Martinez talked about an Axe Throwing sport and recreation event that occurs Tuesday thru Sunday. The place is called The Carved Axe Throwing and they are located at 1900 4th St NE. Their website is <https://www.carvedaxethrowing.com>; He thought this may be of interest. Check it out and if so contact Dan Martinez.

Meeting adjourned.

Next meeting is Monday, August 10th at 7pm. Location to be announced via the website and Facebook.
