President: Rick George, 899-1627

In attendance: Brad (Treasurer) Hjelm; Mike and Dee Hryszko; Stephanie & Fred Simmons; Rick (President) George; and Mike and Debbie Mordhart

Meeting was called to order at 7:00 PM at the Columbus Center.

- We invited guest was Ariel Manderle and her mom. Ariel is making the IMM 2019 trophies. She had three samples to show. A large circle with a running horse inside the Mustang tri-bar, a smaller version of the same – 1<sup>st</sup> and 2<sup>nd</sup> place respectively – and a running horse on a stand for honorable mention.
- We have new flags for our car show – ENTER & REGISTRATION. Everyone thought they looked great.
- Discussed new meeting place – Black Bear Diner was suggested and decision was made to change our meeting location. If you have not been there, arrive early to eat – great food. (1420 Market Place Drive)
- Super Bowl party at Brad's was great – about 21 people showed up and good time was had by all.
- We have some sponsors for the IMM – Superior Auto Body gave \$50 as a dash plaque sponsor and Hoglund's Western Wear will donate "metal gift items" toward silent auction.
- Discussed making a special certificate of appreciation for the helpers and sponsors. A very special certificate for Ariel. Speaking of helpers – we need more for both shows.
- Upcoming Ford Forever Show – Whitney is looking at us using the East parking lot – between Bison and the Prospector.
- Joe Copenhaver has a sound system but we will need to try out the current system on Central to see if it works.
- Vendors were discussed and currently Rick knows someone who makes jewelry, Abbey. She will sell her wears for \$5 and she will give the club \$1.25 for each item sold.
- We need to get with Bill Bronson on the status of our Non-Profit paperwork.
- Financials – the club currently has \$10,687.94 in checking and \$12,857.34 in savings.
- Next IMM planning meeting will be on Wednesday, February 27 at 6:30PM at the Columbus Center in the main floor conference room.
- The International Meeting will be on Saturday, April 13 @ 2PM in the basement of O'Hare Motor Inn. Please attend so we can have a better presence and understanding of how the IMM works.
